

## **JSL Management Donation Helps Baby Diaper Drive Double Their Collection Goal**

Phoenix, Arizona, March 3, 2011 – JSL Management announced today a donation of over 2,600 diapers and wipes to benefit Homeward Bound, to help support families recovering from homelessness and domestic violence. JSL Management joined other local Arizona businesses, Valley schools and community leaders in helping the 12<sup>th</sup> Annual Baby Diaper Drive exceed their goal of raising a total of 138,462 diapers this year.

Homeward Bound provides comprehensive social services programs including employment services, life skills programs and accessible childcare to assist families with a “hand up, not a handout.” The donation will provide families throughout Maricopa County much needed supplies as they work to achieve economic independence and secure safe and affordable housing.

At JSL Management, we support the causes which make the biggest impact on the community around us by investing resources into funding, creating and sharing local giving opportunities. In addition to individual projects such as the Baby Diaper Drive, JSL Management has a Vehicle Donation Program through SellUsYourCarOnline.com. The Vehicle Donation Program was established to expand our charitable giving efforts while encouraging community involvement. Through the Vehicle Donation Program, customers can donate the full quote of their vehicle to help sponsor a charity, along with an additional \$25 from SellUsYourCarOnline.com each time a donation is made. To find out more about the Donation Program and to see a list of the charities supported through vehicle donations, please visit: <http://www.SellUsYourCarOnline.com/donate>.

JSL Management consists of the following companies which provide comprehensive scrap metal, auto recycling and towing services throughout Maricopa Country and in Tucson, AZ: All City Towing, Da Tire Shop, Just Truck and Van, Payless Auto Auction, Pick A Part, The Scrap Yard, SellUsYourCarOnline.com and We Buy Scrap. Our Philosophy is to raise standards, promote community responsibility, and become recognized as the leader in our industries.
