JSL Management Supports Baby Diaper Drive

Phoenix, Arizona, December 28, 2010 – JSL Management is proud to support Homeward Bound's 12th Annual Baby Diaper Drive by hosting a Diaper Drive event at several of their locations in Phoenix, Mesa and Tempe, AZ. The annual Baby Diaper Drive helps families served by Homeward Bound, a non-profit transitional housing program for homeless and domestic violence families with children in metropolitan Phoenix.

As part of JSL Management Companies' ongoing commitment to supporting the community it serves, six of the company locations will collect during the month of January, hundreds of diapers from customers, employees and anyone wishing to donate to Homeward Bound. The Baby Diaper Drive fills the gap by collecting months of emergency supplies and cash donations since most of the families served cannot cover the essentials of diapers, wipes, and baby formula and food stamps does not cover most of these necessities.

Every JSL Management employee is making a personal contribution of diapers, helping the Annual Baby Diaper Drive reach their goal of collecting 100,000 diapers for families in need of a "hand up." For customers interested in making a donation of diapers, benefiting the families of Homeward Bound, collection stations are set up at the following JSL Management company locations:
